

30 DAYS TDC POST PLAN by OTTUH PROGRESS

This is just to guild you on what to post, you can edit the writeups to your taste.

Note: it's totally wrong to edit this ebook

Before posting, understand this, in doing business don't beg people to buy from you, don't beg people to join tdc. Don't be the needy, be the needed. The first thing you want to do with your post is to create curiosity and make tdc look attractive in the eyes of your prospects.. Don't even go to people's dm and start advertising, let your status be where advertise, Once you consistently post, they will come and ask you about tdc and some will register.

Some of these posts are intended to create curiosity in the mind of your prospect so that they can ask you about tdc and then you can either send them an audio or video that explains tdc or explain it to them.

Here are the posts

1. Banks has been doing us ojoro

Imagine, Banks will even charge you when you buy airtime o with expensive data..

Who will believe that you can buy 2gb mtn data for just N500 when Mtn sells at 1200

And I didn't even know I can get commissions for buying
airtime. Tdc is bae

2. I am so excited.

I think this is the opportunity I have been looking for..

I just join a network marketing business. This business is
so great, it has really helped alot of people I know and I am
sure my case will not be different..

I have even started making little little money just the few
period I started.. God bless (upliners name) for introducing
me to this..

3. Tdc is not just a network marketing business with
money making promise. You can have continuous
passive income and flexibility to start your own
business or you can enjoy the free time in your home.
You can earn 50k to 200k monthly with little efforts.
Just spend a few hours to get trainings, that's all. There
are many success stories here in Tdc Network
Marketing and more people can join Tdc as Business
Owners. (After this, post testimonies)

4. Have you ever experienced a circumstance where you
worked full-time and not much money comes back?
This is an issue bothering millions of people around
the world. For many this is a temporary position. But
for others who has already retired, it's a cause of

unbearable concern. Instead of getting worried why not join tdc and make 50k to 200k monthly with less than 30 mins effort daily. It is an exciting business where people from all walks of life can be successful. The idea is simple yet offers a unique opportunity to create financial freedom by giving different individuals a means of earnings passively even when they are not working.

5. Have you ever dreamed of a business that enables you to earn passive income for life? A business that allows you to set your own hours, work from home. A business where at anytime, you may leave with no concern and return when ready. If so, then please listen to what I have to say. An opportunity exists for people like you who want a different kind of life. It offers you a chance to make the changes in your life that are so important to you now and in the future. If you want to know what this opportunity is all about, send me a dm and I will send you a 5 minutes video that explains it all

6. Income is something that everybody wants. Passive income is even more interesting since it can allow you

to get extra money without doing any monthly work. It is not surprising why so many people desire for a chance to earn passive income. If you feel the same, then there is good news for you! Tdc has been established to create a great environment for those who seek to enjoy passive income just like what other people have done with the system. You can learn how to cash in and even make a great living starting today. Send a dm to know what tdc is all about!

7. TDC was born out of a business model that has been in existence since the beginning of human civilization: trading! Whether it be animal skins for food, or powdered sugar for flour, many great civilizations have flourished because people traded what they had for what they wanted. Now fast forward to present day Nigeria. In this country people trade many things such as airtime, data and cable subscription on a daily basis. TDC provides communications services and commodities (such as airtime) at discounted rates. It can help you make money when others are carrying out transactions. It can help you make passive income from simply 'being there.'.. you can make 50k to 200k monthly. Others have done it, you can do it too.. send a dm to know more about tdc

8. Success is a number. It's the amount of money you have in your bank account, and the value of your assets. But there's more to success than just having a lot of cash. Success is about keeping that money working for you so that you can live your life exactly how you want. The vision of tdc is all about making money work for you..
9. TDC is a network marketing business in Nigeria. All you need is a smartphone, a serious mind with consistency and you can make money from TDC. You can withdraw anytime from TDC, TDC pays you directly to your bank account, and you don't need referrals to make money with TDC.
10. Network marketing is a trend in Nigeria. Tdc is offering you a great financial opportunity to earn extra income using your smartphone and you can work from home and even make money while you sleep. You only need to sign up

11. Is Getting Massive Residual Income And Having a Handsome income monthly from Your Plain and Ordinary mobile phone all you need to make money? Now, why will you tell me or anybody that you can't have what TDC mobile store can give you. All that has to be in your mind is consistency and serious-mindedness and determination to succeed. This means taking the right step at the right time. That's why, here is the right time for you to enter the TDC mobile family business.
12. All you need to make money From TDC is your smartphone, serious mind with consistency. TDC pays you anytime you carry-out transactions. TDC pays you with or without referral.
